Sir:

Applicant is filing this Information Disclosure Statement (IDS), with payment of the Issue Fee, to satisfy its duty of disclosure. This filing is not intended to represent that the patents cited herein are material to patentability as defined in 37 C.F.R. §1.56. Rather, Applicant does not believe that they affect the patentability of the claims in the above-captioned application. However, Applicant offers that the references, though cumulative and not considered to be of particular relevance, may fall under the duty of disclosure; therefore, Applicant is filing this IDS. Applicant understands that since this IDS is being submitted with payment of the issue fee, it will not be considered, but will be placed in the application file.

No fee is believed due in connection with this paper. However, the Commissioner is authorized to charge any underpayment or credit any overpayment to Deposit Account No. 06-1325 for any matter in connection with this response, including any fee for extension of time, which may be required.

Respectfully submitted,
